

Twelpforce™ 101

How can people see what others have asked?

All "tweets" will be housed under the @twelpforce <<http://twitter.com/twelpforce>> feed, and will be attributed to whichever employee responded to the question. Twitter users attempting to reach Twelpforce™ should address their questions to @twelpforce, to alert Best Buy employees of their problems or questions. Twelpforce™ will reply back to that specific user, although other Twitter users will be able to follow the conversation, should they so choose.
